

HICKORY HILL ASSOCIATION 2024 NEWSLETTER

PRESIDENT'S MESSAGE

Hello neighbors –

Happy summer 2024!! I hope this finds everyone well rested and ready for whatever craziness that summer has in store for you and your family! I can't believe I am going to say this, but where did the last 12 months go? How time flies! There has not been much noticeable change in the neighborhood, but that does not mean that we are not busy or that things have not changed! Things are always changing.

Congratulations to one of our Board members on welcoming a new member to their family. In early June the Mazzeo family welcomed a healthy young girl, Rua May. Also, speaking of families, sadly, our family at the Hickory Hill Association recently lost three very special past board members; Dottie McGillen, Dottie Monroe, and David Herlihy. All three helped shape the HHA into what it is today. They will be greatly missed.

So, although things seem to stay the same, we may not always notice that things are changing. I have recently noticed firsthand how fast things change. Jack, my son, who is now 18 years old, is off to college. I think it was just a few years ago that we honored him at an annual meeting for all the hard work that he'd done around the neighborhood. How time flies. With that said, please enjoy the rest of the summer and stay at the beach just a little bit longer every day you go to the beach.

I ask, as I do every year, for your continued support of the Hickory Hill Association by sending back your voluntary dues payment. Please note that the money is spent carefully and is used to benefit the whole neighborhood. I look forward to seeing everyone around Hickory Hill this summer.

Sincerely

Matt Carstensen
